• A brief written statement from the instructor describing the incident(s) and any action taken or recommended should be submitted.
• The Division Director will make a report to the Associate Dean for Student Services.

If there is a non-emergency, dial 9999 on any campus phone to reach Crisis Response Team. Threats made against Great Falls College MSU students, faculty, staff or administration, even in jest, will not be tolerated. In every case of a threat, the person who hears the remark should report it immediately to their supervisor.

EVACUATION
• Always evacuate if the fire alarm sounds.
• Close office/classroom doors and turn off lights and computers.
• Use designated corridors and fire exits.
• Leave the building in an orderly manner.
• Do not use elevators.
• Assist disabled persons to the nearest exit.

  ▪ EAPs will be used to provide occupants with information regarding the status of the building.
  ▪ ‘All Clear’ announcements will be made at the EAPs.
• Report any individuals left in the building to the building Zone Stewards.
• Follow instruction of emergency personnel.
• Do not re-enter the building until an “All Clear” announcement is given by emergency personnel.

SHELTER IN PLACE
A building may be temporarily closed in response to a problem or security threat near a building. The purpose is to convert the building into a locked, secured and safe environment to shelter in until the problem is resolved.
• Close and, if possible, lock the classroom or office door.
• Leave your cell phone on, but put it on vibrate.
• Continue teaching or working and wait for official information on what to do.
• Students and staff in hallways should seek shelter.
• Take refuge until an evacuation can be safely initiated or an “all clear” is given.

LOCKDOWN
If you perceive an immediate threat, CALL 911 IMMEDIATELY on any campus phone*.

A lockdown is immediate action taken in response to a life threatening incident. Life threatening incidents happen very rapidly, which means you may or may not get an “official” lockdown warning. You need to take immediate action; do not wait for an official notice.
• Call Out – To 911 from a campus phone*. Don’t assume some-one else has done it. Tell 911 dispatcher where you are and what you saw.
• Hide Out – If you can’t get out, then find a place to hide. Lock the door if you can. Turn out lights and be silent. Put cell phones on vibrate. Don’t peek out – wait for the police.
• Keep Out – If the door can’t be locked, then block the door with whatever you can. If the door opens out, then use belts to tie the door to heavy objects.
• Spread Out – DO NOT huddle together. Remain calm and stay focused on survival.
• Take Out – If a shooter enters your area, assume their intentions are lethal. Fight or do whatever it takes to survive…Your life depends on it.

In the event of any emergency situation, you may be notified and/or able to obtain information through the following methods, depending on the emergency:
• GFC Alert text message to your cell phone (pre-registration required at www.gfcmsu.edu/Alert)
• Email notification to your Great Falls College account
• Campus phone system broadcast
• Local news media
• Great Falls College website: www.gfcmsu.edu

*Using a campus phone to call 911 will ensure that the campus Crisis Response Team will know about your call.
